@tiste

With a High school diploma (Sciences) with honors, I am currently studying at EPSI, an IT Engineering school.
Dedicated to the web world and the mobile one, I aim to do my best in every activity I take on.

I have been playing the guitar for 7 years in a rock band, on stage once a month (± 100 people).

Developer, A2S Conseil / Merville, FR
09/11/13 - 10/27/13

Website to promote professional activity of a factory, dedicated in consulting and security.

Written in Ruby on Rails, this website should be fluid and have an effective SEO.

Developer, Tiste
07/17/13 - 08/02/13

Creation of my portfolio using tools like Middleman SASS, CoffeeScript, GitHub Pages.

I undertook the creation of a technical blog in parallel of the portfolio.

Developer, Silicon Salad / Lille, FR
05/06/13 - 08/06/13

Development of multiple RoR web app: SOCAM, Potatomobile, JEF Chaussures.
Gems building (sentencify and privates ones).
Frequent use of GitHub and continuous integration tools (Travis / Coverall).

IT project manager, EPSI Live
12/18/12 - 03/18/13

Website building for EPSI Live fest that gathered about 200 people.
Keywords for this project were:
responsive design
webservice PHP / JSON
powerful back-office

Association's president, Association EPNet
09/14/12

Being at the origin of EPNet, a web oriented student organization (± 25 members), I create our website and manage every project with great languages such as:
Ruby on Rails, PHP, jQuery, Backbone...

Developer, Roquette Frères / Lestrem, FR
05/11/12 - 08/10/12

Launching of an IT department (infrastructure and hierarchy).
Design several software using WinDev.

2011
